Investing and Connecting with Businesses

Shuraako assists in connecting businesses and people in Somalia/Somaliland with local and international investors.

CONNECT ▶ INVEST ▶ JOBS

For-Profit and Non-Profit Investors

Shuraako connects with private investors, Somali diaspora, and non-profit donors, to support and facilitate investment.

Businesses in Somalia/Somaliland

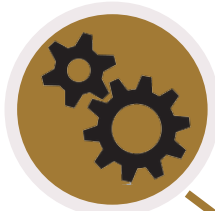

Shuraako has dedicated staff in the USA and on the ground, compiling information on businesses, and the opportunities and challenges they face, in Somalia/Somaliland

NGOs and Government Organizations

Shuraako maps and analyzes almost \$3 billion in non-profit aid requested since 2010, and seeks to collaborate with job-creating initiatives.

Shuraako's Role

Shuraako works as an information hub, connector, and catalyst for investment into initiatives which create jobs.
